It's what we're all about! April is the month this year for the distribution of our scholarships. Three young people from area colleges will be selected to receive \$2,000 each to help pay for tuition at school leading to a degree in communications. This is where the money goes from our fund raisers during the year. Annually at this luncheon outstanding young people, their parents and their mentors from school, join us to accept their awards.

**Neil Harvey, Ph.D., John Roberts,** and **Bill Seibel** from the Scholarship Committee have done an outstanding job again. Mark your calendar for the third Wednesday, April 17 at Bala Golf Club, and enjoy the scholarship, and the fellowship with your fellow broadcasters.

In addition to the awards, we will be entertained by a Barber-shop Quartet from the Orpheus Club.

We have to have a count of how many will be there for set-up so PLEASE call for reservations 610-436-4217. It's necessary that you call...Please do it at least 48 hours in advance so we may notify Bala.

## Happenings

**Sally Starr**, who says she'll be 80 next January, looks wonderful. So do **Capt. Noah and Pat (Carter and Pat Merbreier)**, but they didn't say how old they'll be, and so do **Joe Earley (Mr. Rivets)** and **Bill Webber**. It was a great program and a lot of fun for those present. **Kathy Taras**, Joe's wife, joined her husband for the lunch and the former commercial spokesperson looked as though she could still sell a TV product or two.

At the board meeting before the lunch, it was announced that our membership is the biggest it has ever been, well over 200 members, thanks to the ongoing

efforts of membership chairperson **Dorie Lenz**, and President **Ed Papazian**. Ed says it really started under **Shelly Gross**, and then in his presidential years **Pat Delsi** continued the search for new members. This year we celebrate forty years of Broadcast Pioneers in Philadelphia. Congratulations to all who have worked so hard.

And congratulations to **Ed and Cissie Hurst**. Their granddaughter **Kathryn Leigh Kyle** of Absegami High School attended the first Presidential Law and Justice in a Democracy program in Washington in March. Kate, incidentally, was the only student in Atlantic

County chosen to attend. A presidential scholar Kate attended briefings by each branch of government. Meantime, **Ed and Cissie** will leave on a 12-day cruise of the Caribbean on the QE II with 106 WPEN listeners and when they return in May they take off for Branson, Missouri.

The nominating committee has done its duty and the nominations are: **Ed Papazian**, for President, **Bill Webber**, **Marie Pantarelli** and **Dorie Lenz**, Vice Presidents, and **Frank Hogan** and **George Finkel** added to the Board. A complete list will be read at the meeting.

**John Roberts** noted an item that said former WFIL disc jockey, Pioneer's Person of the Year, and good guy, **Dick Clark** has sold his business, though he still remains on the board, and continues to be featured on all of the shows he is doing. They'll not be doing benefits for the original ABC American Bandstand host as the selling price for his conglomerate was many millions of dollars.
